

## **Sylvan Table Assistant Farm Manager**

Sylvan Table farm is seeking an Assistant Farm Manager. Sylvan Table is a farm to table restaurant in Sylvan Lake, Michigan. The restaurant is situated on five acres of land including a micro-farm, edible and ornamental landscaping, 3 high tunnels, and 3 ponds. The mission of the farm is to cultivate both food and beauty for restaurant patrons to eat and enjoy during their experience at the site. The Sylvan Table Assistant Farm Manager works with the Farm Manager to execute all farm and landscaping responsibilities.

We are seeking a creative, motivated and experienced individual looking for a leadership opportunity to practice, cultivate, and apply their skills in a multifaceted environment. Two years of farm and garden experience is preferred but we are open to training the right candidate who is excited and dedicated to learning.

### **Farm responsibilities include but are not**

#### **limited to:**

- seedling propagation
- bed preparation
  - harvesting
  - planting
  - weeding
  - irrigating
- plant and infrastructure maintenance

### **Landscaping responsibilities include but are not limited to:**

- planting
